02

03 - click save

Example:

For Example if you have to add "facebook" icon then just add facebook in name of New site name section and below add url of that particular site.

Title	<input type="text" value="Social Link"/>
Number of items to show in list	<input type="text"/> Leave blank to show all links
Sorting	<input type="text" value="Don't Sort"/>
New Site Name	<input type="text" value="facebook"/>
New Site URL	<input type="text" value="http://www.facebook.com/bthemez"/>
	<input type="button" value="Add Link"/>
<input type="button" value="Save"/> <input type="button" value="Cancel"/>	

Sidebar Social widget :

1. Go to Blogger Dashboard > Layout > Follow Us widget > click on edit button
2. Now copy the below mention code and paste into widget.
3. Change the # with your social url and change the Number of followers too.

```
<div class="social-count-plus">

  <ul class="default">

    <li class="count-facebook"><a class="icon" href="https://www.facebook.com/"></a><span
class="items" style="color: #fff"><span class="count" style="color:
#fff">1113957</span><span class="label" style="color: #fff">likes</span></li>

    <li class="count-twitter"><a class="icon" href="https://twitter.com/"></a><span
class="items" style="color: #fff"><span class="count" style="color: #fff">441</span><span
class="label" style="color: #fff">followers</span></span></li>

    <li class="count-youtube"><a class="icon" href="https://www.youtube.com/"></a><span
class="items" style="color: #fff"><span class="count" style="color: #fff">758</span><span
class="label" style="color: #fff">subscribers</span></span></li>

  </ul>

</div>
```

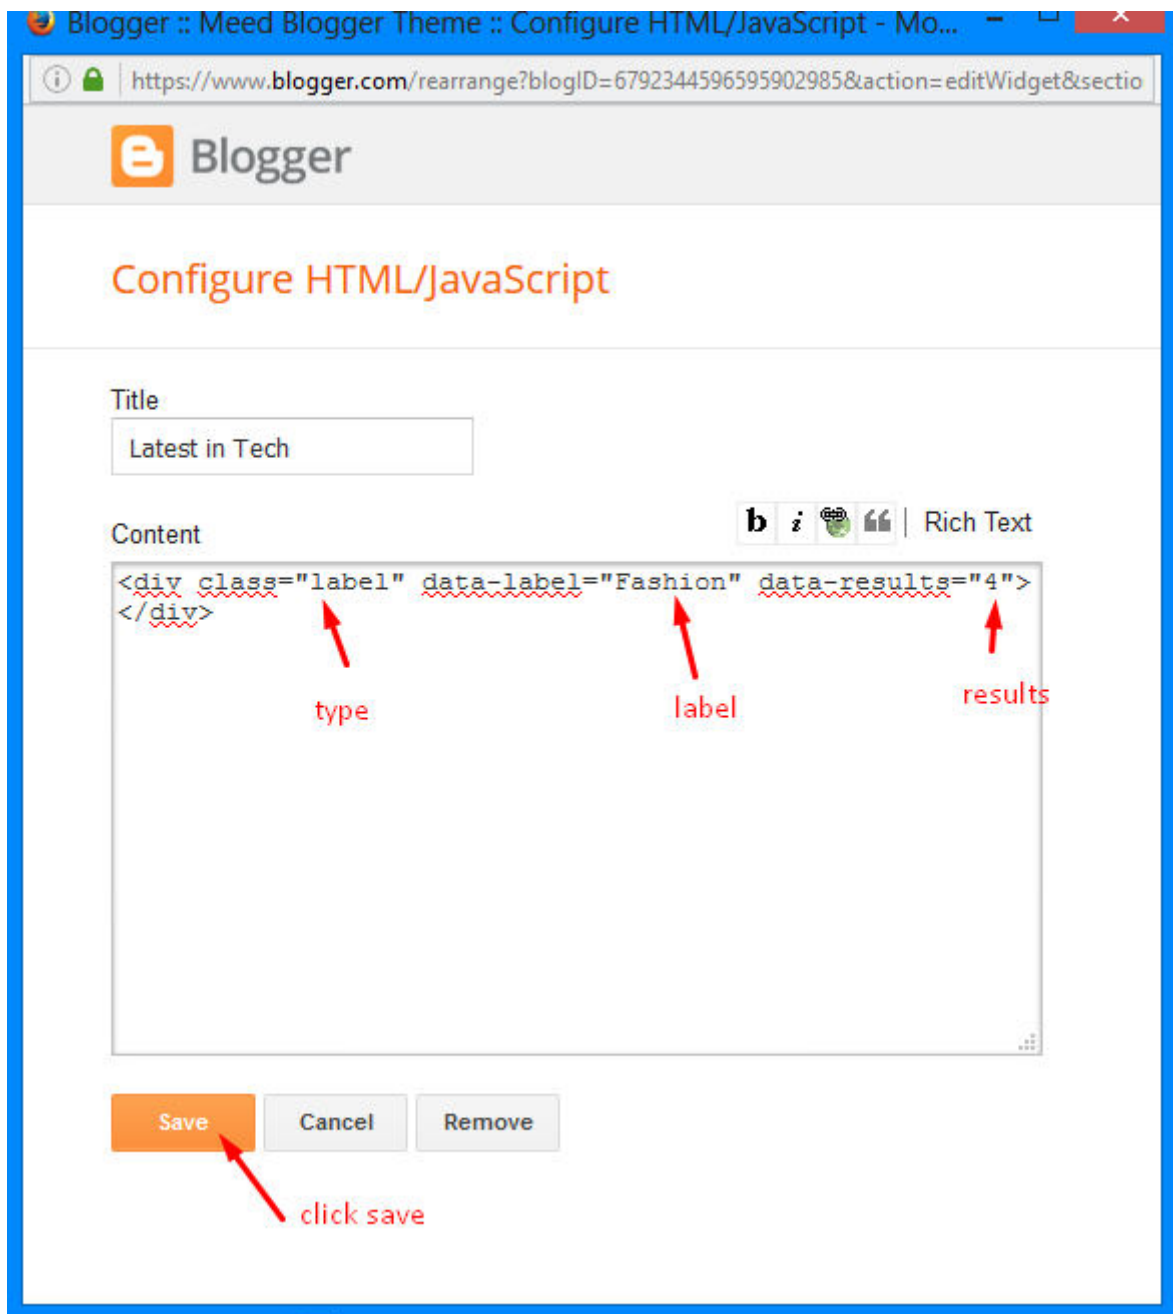

5. Featured Posts (TOP)

Access your blog **Layout** > click **Add a Gadget** > **HTML/JavaScript** on **Main slider** Section, and then add one of the following

Recent Posts: `<div class="recent" data-results="4"></div>`
